My best clubbing experience in Ibiza!

5/5

I spent some memorable nights in this club. It will always be my favorite. Divided in two gigantic rooms (Main Room and Terrace), the club features the best shows in the Island. Stay there until sun rises for an unforgettable moment.

Like Nowhere Else in Ibiza Nobu Hotel Ibiza Bay is the leading five-star destination, designed to be the ultimate playground for grown-ups.

There are no agendas here; breakfast is served at guests' leisure and relaxing lunches blend into deliciously free-spirited nights. After sunset, Ibiza Bay transforms into a chic night spot where the sounds of down tempo music fill the air. Here, indulgence and serenity cohabit peacefully.

The 152 Ibiza style rooms and suites, two private seafront pools, four restaurants, spa by Six Senses, John Frieda Hair Studio, boutique, adult and family experiences have been carefully curated to provide guests with the finest, authentic island escape, without ever having to leave the resort.

Select from four unique restaurants including our signature Japanese Fusion at Nobu and fresh seafood and Balearic specialties at beach restaurant Chambo. A stylish refuge from the sun & sand; wander from terrace to beach, to spa.
